

Information regarding the Visa Processing for Applications for German language studies in the Federal Republic of Germany

The visa application must be submitted personally by the applicant on the day of the scheduled appointment ([see Information leaflet on appointments](#)) at the Embassy.

The Embassy does not accept visa applicants without an appointment.

Only citizens who require visas to enter Germany and who are residing permanently in the Philippines, the Marshall Islands, Micronesia or Palau may apply for their visa with the German Embassy in Manila ([Table of countries whose citizens require/do not require visas to enter Germany](#)).

A distinction is made between pure language courses and language courses to prepare for a course of study in Germany:

Intensive language course lasting more than 3 months (§ 16 Residence Act, Section 5):

- o A change of the purpose of stay is generally not possible; the visa holder must leave the Federal Republic of Germany after completion of the course (maximum duration: 12 months), so he/she must prove upon submission of the application his/her willingness to return to the home country.
- o A knowledge of the German language is not required in advance, but German courses that were already completed show a long-term interest in the language.

Language course in preparation for a course of study (§ 16 Section 1 of the Residence Act):

- o The holder of the student visa can take up studies in Germany directly after the language course is completed, without having to leave Germany again in the meantime.

An intensive language course must generally include daily lessons with at least 18 hours per week. Evening and weekend courses are not sufficient. The course must be directed at the acquisition of comprehensive German language skills and the duration of the course must be limited from the beginning.

SEQUENCE OF THE VISA PROCESSING:

Long term visas cannot be issued without the approval of the responsible Aliens' Office in Germany (§31 AufenthVO); the visa can therefore only be issued when the Embassy has received the approval. A processing time of **several months** may be expected. The visa should therefore be applied for at an early date.

Additional documents can be submitted by courier, post, or personally from Monday to Thursday between 11:00 a.m. and 12:00 p.m. and on Friday between 10:00 a.m. and 11:00 a.m.

Applicants are requested to inform the Embassy of any changes of their contact details to avoid delays or inconvenience. The Visa Section will inform you as soon as the visa can be issued.

Passports and letters (e.g. informing of the result of the visa application) are sent to the applicants by the Embassy via courier service. The courier fee is 160,- PhP (payable upon delivery).

The Embassy issues national visas with a maximum validity of 90 days and the option of multiple entries. After entering Germany, you have to contact the Aliens Office ("Ausländerbehörde"), which issued the residence permit. This residence permit entitles the holder to travel in the Schengen-Area for up to 90 days per half year.

Please refrain from asking for updates during the processing of your application. Such questions do not expedite the processing. If further inquiries need to be answered by you, or additional documents be required, the Visa Section would of course contact you directly without further prompting.

We also ask for your understanding, that, for reasons of data protection, no information regarding the current stage of the processing of ongoing applications can be given, as it is not possible for the Visa section to determine on the telephone the identity of the caller. The information gained in the visa processing about the application as well as information about the current stage of the application processing in individual visa procedures are subject to data protection.

If you do, however, believe a question regarding the stage of processing must be asked for special reasons, we request for a personal visit or for a written inquiry with an explanation of the reasons. The Visa Section may provide information regarding the visa processing only to:

- the applicant himself / herself
- third parties, who submit a written authorization by the applicant, or
- to a legal representative, if there is for legal reasons an appropriate power of representation (for example the power of representation, which parents have over their children).

Accordingly, the Visa Section may give spouses / fiancé(e)s / employers no information, as long as there is no written authorization for representation at hand. An authorization must therefore, where required, be attached to the application.

When travelling to Germany you should bring along the original supporting documents of your visa application for the border control.
