After entering Germany, you have to contact the Aliens Office ("Ausländerbehörde"), which issued the residence permit. This residence permit entitles the holder to travel in the Schengen-Area for up to 90 days per half year.

Please refrain from asking for updates during the processing of your application. Such questions do not expedite the processing. If further inquiries need to be answered by you, or additional documents be required, the Visa Section would of course contact you directly without further prompting.

We also ask for your understanding, that, for reasons of data protection, no information regarding the current stage of the processing of ongoing applications can be given, as it is not possible for the Visa section to determine on the telephone the identity of the caller. If you do, however, believe a question regarding the stage of processing must be asked for special reasons, we request for a personal visit or for a written inquiry with an explanation of the reasons. The Visa Section may provide information regarding the visa processing only to:

- the applicant himself / herself
- third parties, who submit a written authorization by the applicant, or
- to a legal representative, if there is for legal reasons an appropriate power of representation (for example the power of representation, which parents have over their children).

Accordingly, the Visa Section may give spouses / fiancé(e)s / employers no information, as long as there is no written authorization for representation at hand. An authorization must therefore, where required, be attached to the application.

When traveling to Germany you should bring along the original supporting documents of your visa application for the border control.
